

Community Event Request

Have a Windsor Severance Fire Rescue Fire Engine come by for a visit to your community event. This is a great opportunity to ask the firefighters questions and see the fire engine up close.

We are happy to come by for approximately 30 to 45 minutes to events such as nonprofit organizations, neighborhood association-sponsored events and other community events held inside the district boundaries of WSFR.

Availability: 7 days a week. We may not be able to accommodate all event requests due to firefighter training and other scheduling conflicts.
